

Chemical Safety

Chemfinder Webpage

A great resource for information on chemicals.
<http://chemfinder.cambridgesoft.com/>

Chemtrec

Chemtrec is a 24-Hour Hazardous Materials Emergency Communication Service.
<http://www.chemtrec.org/Chemtrec/>

NIOSH Pocket Guide to Chemical Hazards

The NIOSH Pocket Guide to Chemical Hazards is intended as a source of general industrial hygiene information for workers, employers, and occupational health professionals.
<http://www.cdc.gov/niosh/npg/pgintrod.html>

Confined Space Entry

OSHA's Confined Space Resource Page

Lots of information to help you recognize, evaluate, and control hazards associated with confined spaces.
<http://www.osha.gov/SLTC/confinedspaces/index.html>

Electrical Safety

OSHA's Electrical Safety Resource Page

This is OSHA's extensive page containing information and links pertaining to electrical safety.
<http://www.osha.gov/SLTC/electrical/index.html>

Experience Modification Rate

Understanding Your Experience Modification Rate Worksheet

Here's an article that provides detail about the Experience Modification Rate (EMR).
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24252>

Eye Protection

Eye Protection in the Workplace

Here's some useful information regarding how to prevent eye injuries in the workplace from Prevent Blindness America.
<http://www.preventblindness.org/safety/worksafe.html>

Fall Protection

Fall Protection in Construction (pdf)

This is a PDF File of OSHA Publication 3146 that provides an overview of Fall Protection issues and compliance.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24264>

OSHA's Fall Protection Technical Information Page

This is OSHA's Technical Resource Page dedicated to fall protection issues.
<http://www.osha.gov/SLTC/fallprotection/index.html>

Fall Safety - Publications

Fall Safety - Publications
<http://www.fallsafety.com/publications.html>

Hearing Conservation

OSHA's Hearing Conservation Technical Resource Page

This is OSHA's Resource Page devoted to Hearing Conservation issues. This is a great resource if you need help developing a Hearing Conservation Program.

<http://www.osha.gov/SLTC/noisehearingconservation/index.html>

Lockout/Tagout

Lockout/Tagout Fact Sheet (pdf)

This is a two-page Fact Sheet prepared by OSHA regarding Lockout/Tagout compliance.

<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24270>

Lockout-Tagout Interactive Training Program

Whether you are a recent hire or an experienced employee, this online OSHA program will expand your knowledge of the Lockout/Tagout standard.

<http://www.osha.gov/dts/osta/lototraining/index.htm>

OSHA's Lockout/Tagout Information Page

This is OSHA's Technical Information Page pertaining to lockout/tagout issues.

<http://www.osha.gov/SLTC/controlhazardousenergy/index.html>

Machine Guarding

OSHA's Machine Guarding Resource Page

This page contains general information on the various hazards of mechanical motion and techniques for protecting workers. Compliance information related to machine guarding is also included.

<http://www.osha.gov/SLTC/machineguarding/index.html>

Multi-Employer Worksite

Multi-Employer Worksite Compliance Directive

This is Cornell University's immense searchable database of Material Safety Data Sheets.

This is an internal OSHA Compliance Directive to Compliance Officers outlining how responsibilities for jobsite hazards will be determined (lengthy).

http://www.osha.gov/pls/oshaweb/owadisp.show_document?p_table=DIRECTIVES&p_id=2024&p_text_version=FALSE

Occupational Safety and Health Administration (OSHA)

Do you need clarifications about an OSHA regulation?

OSHA maintains a searchable database of letters requesting clarification or interpretations of their regulations. Click above and enter the subject of your inquiry.

http://www.osha.gov/pls/oshaweb/owasrch.search_form?p_doc_type=INTERPRETATIONS&p_toc_level=0&p_keyvalue=

Has your company ever been inspected by OSHA?

OSHA's inspection database was not initially meant for public access, but has been made available to the public. Enter your company name to see detail regarding past compliance inspections that have occurred since 1971.

<http://www.osha.gov/oshstats/index.html>

Need to know the Permissible Exposure Limit for a chemical?

OSHA's TABLE Z-1 Limits for Air Contaminants.

http://www.osha.gov/pls/oshaweb/owadisp.show_document?p_table=STANDARDS&p_id=99

92&p_text_version=FALSE

OSHA (Occupational Safety and Health Administration)

This is OSHA's comprehensive website that includes a vast amount of regulatory information.
<http://www.osha.gov/>

OSHA Inspection Data

Learn what infractions are most common for your type of business (based on SIC Code).
<http://www.osha.gov/pls/imis/citedstandard.html>

OSHA's Construction and General Industry Standards

OSHA maintains a searchable database of letters requesting clarification or interpretations of their regulations. Click above and enter the subject of your inquiry.

http://www.osha.gov/pls/oshaweb/owasrch.search_form?p_doc_type=STANDARDS&p_toc_level=0&p_keyvalue=

OSHA's Goals for 2003-2008

Here are OSHA's Strategic Goals for 2003-2008 (formulated in May 2003).
<http://www.osha.gov/StratPlanPublic/strategicmanagementplan-final.html>

OSHA's Technical Links Page

This is OSHA's Technical Links Page offering information regarding nearly every type of hazard encounterable in construction and manufacturing.

<http://www.osha.gov/html/a-z-index.html>

What's my company's SIC Code?

This page offers a search engine to locate your company's Standard Industrial Code (SIC).
<http://www.osha.gov/pls/imis/sicsearch.html>

Organizations

ABC -- Associated Builders and Contractors of Indiana

[Abc-indy.org](http://abc-indy.org)
<http://abc-indy.org/>

ACGIH -- American Conference of Governmental Industrial Hygienists

American Conference of Industrial Hygienists (ACGIH), your industrial hygiene, environmental, occupational health and safety resource that advances worker health and safety and offers books, conferences, and education and training courses.

<http://www.acgih.org/>

AGCIN -- Associated General Contractors of Indiana

AGC of Indiana - Your resource for information on the construction industry in the state of Indiana.

<http://www.agcin.org/>

ANSI -- American National Standards Institute

A premier source for timely, relevant, actionable information on national, regional, international standards and conformity assessment issues

<http://www.ansi.org/>

ASSE -- American Society of Safety Engineers

American Society of Safety Engineers
<http://www.asse.org/>

Owner Controlled Insurance Programs

Owner Controlled Insurance Programs - Part 1

This is part one of a two-part article by David L. Grenier about OCIPs that is presented by crisk.com.
http://www.c-risk.com/Articles/dlg_OCIP_01.htm

Owner Controlled Insurance Programs - Part 2

This is part two of a two-part article by David L. Grenier about OCIPs that is presented by crisk.com.
http://www.c-risk.com/Articles/dlg_OCIP_02.htm

Owner-controlled 'wrap insurance' is viable alternative for contractors

Here's an informative article by Gerald Katzman for The Business Review.
<http://albany.bizjournals.com/albany/stories/2002/07/29/focus13.html>

Powered Industrial Trucks

Developing a Training Program for Forklift Operators (pdf)

This is a document prepared by OSHA outlining the requirements necessary to prepare a training program for forklift users.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24277>

FAQs About Powered Industrial Truck Operator Training. (pdf)

This is a document containing frequently asked questions with answers regarding powered industrial trucks; general questions and questions specific to general industry, maritime and construction are provided.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24279>

Online Forklift Training -- FREE

Instructional Designs, Inc. provides a free online operator training course.
<http://www.free-training.com/osha/forklift/forkmenu.htm>?

OSHA's Powered Industrial Truck Resource Page

This is OSHA's Resource Page devoted to all that pertains to the proper training and safe operation of powered industrial trucks (forklifts).
<http://www.osha.gov/SLTC/poweredinustrialtrucks/index.html>

Sample Training Program Outline for Forklift Operators (pdf)

This is a "sample" outline prepared by OSHA to assist in the development of a training program for forklift operators.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24278>

Prequalifications

12 Point Safety Plan (pdf)

Developing a 12 point safety plan for work in Indiana? Here's a quick overview of the requirements.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=64030>

Prequalification Frequently Asked Questions (FAQ) (pdf)

This is a document containing frequently asked questions pertaining to contractor prequalification.
<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=49754>

Radiation Safety

Radiation Safety Academy: radiation safety, HAZMAT Training, biomedical training, OSHA safety training, hazardous material, shipping hazardous material, osha compliance training, radiation safety training

Radiation Safety Academy's Certified Health Physicists have provided training and consulting to thousands of clients since 1983. Courses include Radiation Safety Officer, fundamentals, DOT, HAZMAT, decontamination and decommissioning, risk communication, and more. The Academy's highly experienced staff also provide consulting services including annual audits, license application or amendment preparation, and waste management.
<http://www.radiationsafetyacademy.com/links.html>

Recalls

Recalls.gov

To provide better service in alerting the American people to unsafe, hazardous or defective products, six federal agencies with vastly different jurisdictions have joined together to create www.recalls.gov -- a "one stop shop" for U.S. Government recalls.
<http://www.recalls.gov/cpsc.html>

Recordkeeping

OSHA Recordkeeping Handbook

OSHA has released its long-awaited recordkeeping document that addresses the new recordkeeping standard.
<http://www.osha.gov/recordkeeping/handbook/index.html>

OSHA's Recordkeeping Standard (pdf)

This is a document containing the text of the revised recordkeeping standard.

<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24294>

OSHA's Recordkeeping Resource Page

This is OSHA's Resource page devoted to the recordkeeping standard.

<http://www.osha.gov/recordkeeping/index.html>

Respiratory Protection

Respiratory Protection Page

This is a page with numerous links found within the OSHA website that provides vast amount of information regarding the respiratory protection standard.

<http://www.osha.gov/SLTC/respiratoryprotection/index.html>

Small Entity Compliance Guide (pdf)

This is a compliance guide prepared by OSHA that serves as a comprehensive resource to assist in the development and implementation of a respiratory protection program. Very informative!!

<http://www.smgindy.com/resourcesPDFView.asp?cat=Item&sub=bin1&ext=.pdf&id=24256>

Safety Articles

Safety Articles: Construction, Occupational Health, Workplace, & Industrial Safety Article

Construction, occupational, & workplace health and safety articles - industrial and office safety.
