

# The Nineteenth Annual Metro Indianapolis Coalition for Construction Safety Anniversary and Awards Celebration

## Outstanding Craftsperson

### **PURPOSE**

The Outstanding Craftsperson Award gives every MICCS member company an opportunity to publicly honor a craftsperson whom they believe warrants such honor. It is intended to honor employees who work in the field, up to the level of foreman.

Each company may determine their own criteria for the award. Every person whose application is received (limit one per member company) will win the award. Unlike every other category of MICCS award, this is not a competition.

Winners will be announced at the Awards Celebration and will receive a Carhart brand winter jacket with a MICCS logo on the breast along with the winner's name and "Outstanding Craftsperson 2012". Winners will also receive another special prize announced during the event!

### **DIGITAL PHOTO, JACKETS AND CONTRIBUTION**

Please email a digital photo of the winner (head and shoulders, color) to [mwatson@miccs.org](mailto:mwatson@miccs.org). Photos should be in .JPG, .TIF or .BMP format. This image may be shown to the audience when the individual is presented with their award. Please do not embed the graphic file in other files or documents. If you need assistance in getting a digital photo taken, please contact the MICCS office.

Companies that submit a name to receive the Outstanding Craftsperson Award are asked to submit, along with this application, a voluntary donation of \$80, payable to MICCS, to help defray the cost of the jacket. All winners will receive this award regardless of the contribution received.

### **DEADLINE**

Entry must be received by the MICCS office no later than **FRIDAY, MARCH 2, 2011**.

**If you do not receive confirmation of your submission,  
please contact the MICCS office at 317-686-2665.**
